PROFESSIONAL EXPERIENCE:

Firefighter | Paramedic

January 2018 – Present

Grand Forks Fire Department, ND

- Administer patient care and treatment in adherence to protocol with oversight from designated medical personnel.
- Engage in combating, eradicating, and preventing fires.
- Perform rescues, and deliver emergency medical services, including fire rescue situations and vehicle accidents.
- Support the maintenance of equipment, facilities, and machinery, and conduct tests of hydrant water flow.
- Lead fire drills, and provide guidance on proper procedures in the event of an emergency.
- Complete required reports to document events appropriately and in accordance with state law.

Firefighter | Emergency Medical Technician May 2014 – January 2018

Minneapolis Fire Department, ND

- Responded promptly to calls for rescue, medical and non-medical emergencies, and fire suppression.
- Executed required actions to save lives and preserve property while safeguarding the environment.
- Operated city vehicles responsibly and proactively implemented routine maintenance on vehicles as well as firefighting equipment and facilities.
- Dispensed emergency medical treatment, and transported patients to medical facilities as needed.

DANIEL A. WILLIAMS

Paralegal Specialist | Legal Assistant

Mobile: 855-673-6713

- Email: danielwilliams@federalresumeguide.com

PROFESSIONAL EXPERIENCE:

Probationary Firefighter

March 2011 – May 2014

Minneapolis Fire Department, ND

- Performed triage, primary and secondary assessments, and administered emergency medical treatment.
- Made forcible entry into buildings when necessary, ventilated buildings administered basic life support, and assisted in the rescue, overhaul, salvage, and clean-up operations.
- Performed special assignments as assigned, such as public education, and maintenance of medical equipment, nozzles, appliances, and fittings.
- Provided demonstrations, classes, and training to the public, attended drills and staff conferences and participated in company fire prevention inspections.

Firefighter Trainee

February 2010 – March 2011

Minneapolis Fire Department, ND

- Responded to emergency calls throughout the day and night.
- Participated in programs designed to educate the community on fire safety and proactive fire escape plans.
- Conducted cleanup post-fire suppression, mitigating loss by salvaging property as much as possible.
- Participated in fire hazard property inspections for both commercial and residential sites.
- Hosted programs designed to inform the community of fire safety strategies, including guidance on formulating an escape plan as a proactive measure.
